Defendant

Order: Charges dismissed with prejudice

A self executing verified jurisdictional challenge to the prosecution and court was entered into the court record on **June 21, 2011**. A generous three (3) days was given for response. Having no response from the above mentioned respondents, a contract has now been perfected by acquiescence. Wherefore, as per the self

executing jurisdictional challenge, the following has
now been ordered.

"A non-response and/or failure to provide proof of jurisdiction will constitute agreement that your jurisdiction, charges, and demands brought against Denny-Ray: Hardin, sui juris are void, false, fraudulent and treasonous.

Failure and/or refusal to bring forth such 'proof of claim' will place you in dishonor, and thus constitute an admission of false claims, damages and injury to Denny-Ray: Hardin, sui juris. And further you have agreed to return all funds and property collected from Denny-Ray: Hardin, sui juris. And further agreement by you, to dismiss all charges with prejudice.

Failure and/or refusal to bring forth such "proof of jurisdiction" is acquiescence, agreement that the court and the prosecution, et al has no jurisdiction and all charges are fraudulent and treasonous without objection."

It is so ordered.
